MOVIES ON THE BLOCK

MISSION.

Movies on the Block is a free, seasonal screening program designed to support Philadelphia neighborhoods with little access to film. By partnering with local community groups and organizations, each event invigorates established community gathering spaces and facilitates engagement with meaningful film programming and activities. Developed in collaboration with community leaders, stakeholders, groups, and organizations, these events use film's unique capacity to address interests and issues important to local neighborhoods.

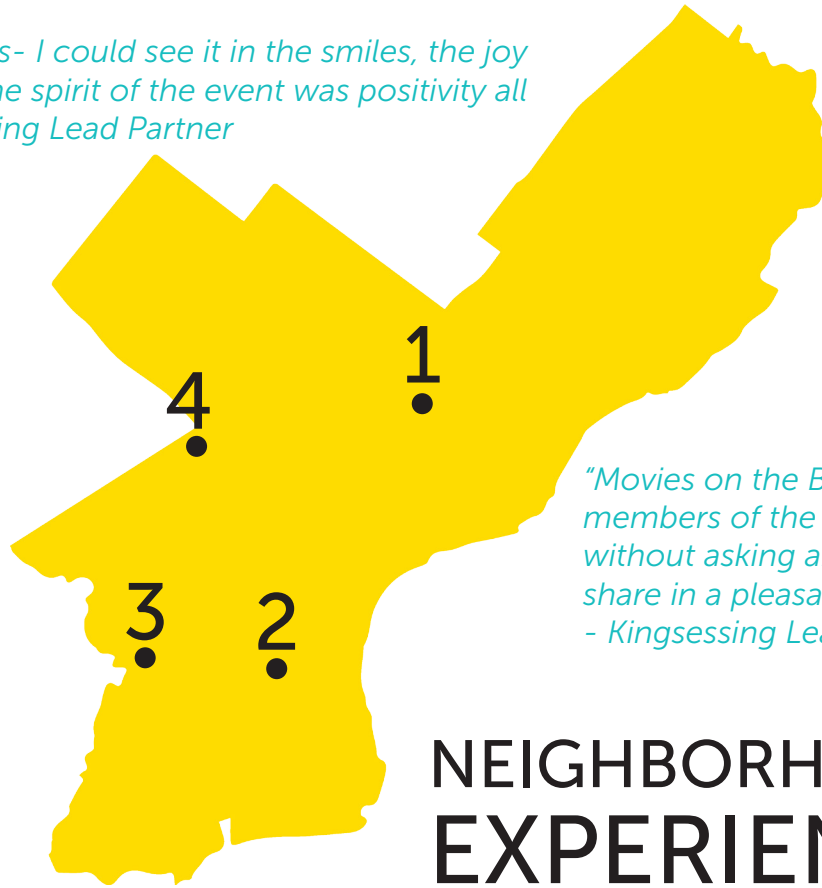

950 NEIGHBORS

"Definitely a success- I could see it in the smiles, the joy on the faces, and the spirit of the event was positivity all around." - Kingsessing Lead Partner

*"Movies on the Block has brought members of the community together without asking anything of them but to share in a pleasant experience."
- Kingsessing Lead Partner*
